

2018 The Jewish Federation
Report to the Community

For over a century, we have worked with our supporters and partners to identify and address the most pressing issues in our community. Together, we are changing and saving the lives of those who need our help most — locally and globally. We care for Jews in need now and strengthen the next generations to ensure our Jewish future. Always with strategy. With innovation. With an eye on the horizon.

Looking ahead to the next 100 years, we are engaging a diverse group of Jews in new ways to light their spiritual fires and make a lasting impact.

Today's world is complicated, but with the support of passionate and committed individuals uniting as one, we have the capacity to mobilize and accomplish great things. That is the power of community.

CARING FOR JEWS IN NEED

WILDFIRE CRISIS RESPONSE

Our Jewish community was devastated by the wildfires. Summer camps, schools, other community organizations, and thousands of families were impacted. When the flames rolled in and began to rob our families in Los Angeles and Ventura Counties of their homes and to destroy beloved fixtures of Jewish life, our Federation immediately stepped up. A call line was implemented along with free, in-person workshops, and case management sessions that showed our community we were there for them. Together with our partners, we delivered information and vital services that included counseling, financial and legal assistance, access to emergency loans, and social services. When disaster struck, we helped pick up the pieces for our Jewish community.

CARING FOR JEWS IN NEED
UNISTREAM

Young Israelis who grow up in the most impoverished neighborhoods have little hope for their futures and face significant challenges. They often have ideas without the support to make them a reality. Believing strongly that a lack of resources should never pose an impediment to success, our partnership with Unistream provides opportunity for teens in the periphery of Israel. The training in social entrepreneurship and the business skills they receive has a ripple effect, strengthening the teens themselves as well as their families and communities around them. In 2018, we helped the program grow to include 18 Entrepreneurship Centers in 60 municipalities and 2,500 youth and alumni participants.

CARING FOR JEWS IN NEED
SAVE OUR SURVIVORS

3,000 Holocaust survivors who deserve to age gracefully and with dignity are living in poverty in our city. They endured the unimaginable, and to watch them suffer because they can't get the help they need is devastating. We are doing everything we can to make sure they can age in dignity in their own homes. In 2018 through our Save Our Survivors campaign, we were able to provide 38,000 hours of vitally needed in-home services to the most vulnerable members of our community. We are especially grateful to the Goldstine and Orden families for their generous lead gifts to this important work. The Jewish Community Foundation provided a matching gift that has inspired generosity from our donors, many of whom are young adults.

COMMUNITY ENGAGEMENT

COMMUNITY SECURITY INITIATIVE (CSI)

Our Jewish communities are under attack and vulnerable. Security — for our families, ourselves, our communal institutions — is a Federation priority. That’s why it is a constant source of comfort to know that our Federation’s Community Security Initiative stands vigilant, 24 hours a day, to provide vital information, intelligence, security training, and resources before, during, and after a crisis. It is our Federation that ensures our Jewish community has what it needs to keep our synagogues, schools, and Jewish organizations safe from harm. CSI provided minute-by-minute lifesaving information to threatened Jewish sites and their leadership during the Woolsey Fire and answered over 100 requests for security assistance and information in the wake of the Tree of Life Synagogue attack. Since the local wildfires, CSI has provided numerous security assessments, replacement equipment, and invaluable guidance to the displaced Jewish camps, synagogues, and day schools — proving time and time again that CSI is always there to prevent and protect.

COMMUNITY ENGAGEMENT
COLLEGE ADMINISTRATORS TO ISRAEL

We need educators to understand the climate on local college campuses as it relates to the conflicting narratives around Israel. For Jewish college students today, the stress of encountering anti-Semitic groups only adds to the standard academic pressure they face. Community Engagement’s job is to further strengthen our ongoing efforts to combat anti-Jewish and anti-Israel sentiment on campus. To do this, the Federation took a cohort of university administrators to Israel to experience the Jewish story firsthand. The trip opened college administrators’ eyes to our struggle and helped us form allies.

ENSURING THE JEWISH FUTURE
THE FIRST 36 PROJECT

To build strong and resilient Jewish families with healthy children, we need to start at the beginning by finding the best ways to connect parents with their children. Building on our investment in families with young children, we collaborated with the Simms/Mann Institute and Builders of Jewish Education to create The First 36 Project. Examining cutting-edge neuroscience research through a Jewish lens, this state-of-the-art program's select parent-and-me facilitators shape and disseminate professional guidance to parents. Facilitators conduct meaningful conversations with parents to offer them the best chance to raise resilient children. First 36 Project Fellows engage in cohort-based learning experiences and one-on-one coaching that elevate their impact on families with young children in their community.

ENSURING THE JEWISH FUTURE
NUROOTS

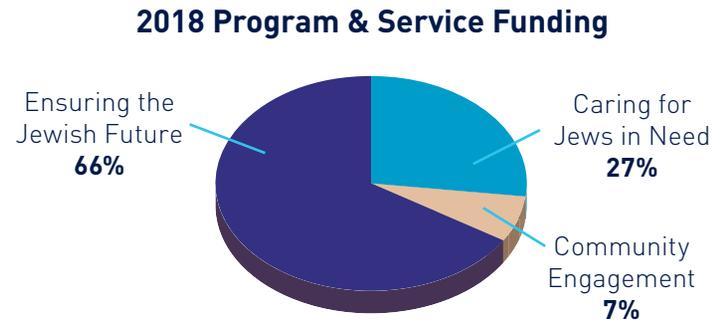

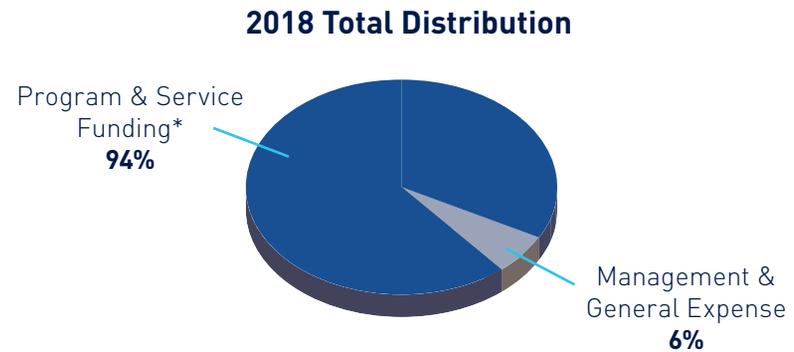

We are inspiring the younger generation to engage in Jewish life. Our NuRoots young adult engagement initiative continues to meet those in their 20s and 30s where they are to offer them meaningful and creative opportunities for self-discovery, Jewish life experiences, and Jewish community. In 2018, NuRoots touched over 5,000 L.A.-area young adults through one-on-one coffee meetings with NuRoots Fellows, local NuRoots community experiences, citywide festivals Infinite Light (Chanukah) and Collective Escape (Passover), and community-based immersive experiences including Birthright Israel LA Way, Honeymoon Israel LA, and a unique partnership with JDC Entwine.

Thanks to your generous support, The Jewish Federation makes a tangible impact in the lives of thousands of people in Los Angeles, Israel and around the world!

The Perpetual Annual Campaign Endowment (PACE) is a permanent fund dedicated to endowing your Annual Campaign gift to the Jewish community. A PACE fund is a lasting legacy that will continue to make an annual gift to the Annual Campaign in perpetuity on your behalf.

Women who give at the Lion of Judah level may perpetuate their Annual Campaign gift by establishing a special type of PACE fund, a Lion of Judah Endowment (LOJE). Those who do so often choose to celebrate their gift by displaying the Or L'Atid (Light Unto the Future), which is symbolized by a flame emanating from the Lion of Judah pin. We gratefully acknowledge the following women whose enduring support ensures a strong Jewish future.

THE BAR CENTER AT THE BEACH

On the edge of the Pacific, The Jewish Federation is building the most compelling destination for modern Jewish life.

We are taking a tired building that served a small population of elderly seniors and are creating a state-of-the-art space that will open endless possibilities for meaningful engagement across generations.

This stunning facility will be a magnet for dynamic expressions of Jewish life, elevating our senior programming, creating intergenerational experiences, and drawing young adults from across the city.

Through vibrant art exhibitions, sunset concerts, holiday celebrations, farm-to-table cooking classes, workshops with local innovators, and much more, we will unite toddlers, teens, and young adults with baby boomers and seniors.

We thank these visionaries for their support of our capital campaign to transform Jewish life in Los Angeles:
